<sup>1</sup>One time per calendar year (referring to January through December billing statements), the primary Citi Executive<sup>SM</sup> / AAdvantage<sup>®</sup> World Elite<sup>SM</sup> MasterCard<sup>®</sup> cardmember will earn 10,000 Elite Qualifying Miles (EQMs) after he or she reaches the first \$40,000 in eligible purchases on his or her Citi Executive<sup>SM</sup> / AAdvantage<sup>®</sup> World Elite<sup>SM</sup> MasterCard<sup>®</sup> account during such calendar year (purchases posted to your January to December billing statements), regardless of the date the account is opened. EQMs are earned on purchases, excluding returned goods and services, cash advances, convenience checks, transferred balances, credits, fees and interest charges. A primary cardmember may earn the 10,000 EQMs only one time in a calendar year, even if the primary cardmember has more than one Citi Executive<sup>SM</sup> / AAdvantage<sup>®</sup> card. EQMs earned as a result of this offer will be posted to the primary cardmember's American Airlines AAdvantage<sup>®</sup> program account 6-8 weeks after meeting the \$40,000 purchase requirement. Purchases made from additional cards on the primary cardmember's account will count toward the primary cardmember's qualifying spend; however, additional cardholders are not eligible to earn EQMs. Please log in to your AAdvantage<sup>®</sup> account on AA.com to view your YTD Elite Qualifying Miles balance. Should the posting of the additional EQMs result in your qualifying or requalifying for AAdvantage<sup>®</sup> elite status, your status will be valid throughout the next succeeding elite membership year. Benefits associated with any new elite status level will take effect immediately on the date the additional elite status qualifying miles were posted to your AAdvantage<sup>®</sup> account and will apply to all eligible flight activity occurring on or after that date. If applicable, your new credentials will be received within 4-6 weeks. All AAdvantage<sup>®</sup> program terms and conditions apply. EQMs only count toward elite status qualification. EQMs cannot be redeemed for award travel, AAdvantage<sup>®</sup> miles or any other AAdvantage<sup>®</sup> program awards. AAdvantage<sup>®</sup> program elite status requirements are available on the AAdvantage<sup>®</sup> section of AA.com.

American Airlines reserves the right to change AAdvantage<sup>®</sup> program rules, regulations, travel awards and special offers at any time without notice and to end the AAdvantage<sup>®</sup> program with six months notice. Any such changes may affect your ability to use the mileage awards or credits that you have accumulated. Members may not be able to obtain all offered awards at all times or use awards for all dest nations or on all flights. AAdvantage<sup>®</sup> travel awards, mileage accrual and special offers are subject to government regulations. Unless specified, AAdvantage<sup>®</sup> miles earned through this promotion/offer do not count toward elite-status qualification or Million Miler<sup>SM</sup> status.
